C51332, will be received at the San Bernardino Valley Municipal Water District, 1350 South "E" Street, San Bernardino, California 92408-2725; not later than **11:00 A.M.; on THURSDAY, SEPTEMBER 7, 2006**, at which time they will be publicly opened and read at an announced location in the vicinity of such office. Bid forms for this work are included in a separate booklet titled BID FORM. Bids will be considered only if submitted for all the work required for the above project. The work is defined in Section 01110 – Summary of Work, and includes but is not limited to the following principal features:

1. Design, manufacture, factory test, and deliver to GSPS, CHPS, and CVPS, and install and test the following equipment and appurtenances: a. Pump and motor – CVPS only, b. Switchgears – GSPS and CHPS, c. Variable frequency drive (VFD) – CVPS only, d. Programmable logic controllers (PLCs), e. Valves, air valves, piping, tubing, fittings, hangers, supports, and appurtenances, f. PLC cubicle CSB and motor control center unit breaker assembly at CVPS.
  2. Place cast-in-place concrete – CVPS only.
  3. Pick-up the following Department furnished equipment at San Bernardino Valley Municipal Water District (SBVMWD) "E" Street Warehouse and deliver, install, and test the equipment: a. Pumps and motors – GSPS and CHPS only, b. Variable frequency drive (VFD) – GSPS only.
  4. Remove existing GSPS control valves, discharge isolation valves, piping, and appurtenances prior to replacement with the new ones.
  5. Manufacture tools and spare parts and deliver to GSPS, CHPS, and CVPS.
  6. Provide services of technical personnel and manufacturers' representatives for the Site Acceptance Test (SAT).
  7. Provide liaison services.
- B. The Department will provide services of erecting engineers for the Department furnished pumps, motors, and VFD.

Forms of bid and contract, drawings and specifications for the project may be obtained only at the Department of Water Resources, 1416 Ninth Street, Room 418, Sacramento, California, between the hours of 7:30 a.m.-12:00 noon and 12:30-4:00 p.m. or by mail upon written request to the Department of Water Resources, P. O. Box 942836, Sacramento, California 94236-0001, Attention: Jim Veres, Spec. No. 06-21, Telephone (916) 653-4867, Fax (916) 653-6166, or by e-mail at [doe\\_specs@water.ca.gov](mailto:doe_specs@water.ca.gov). Drawings and specifications may be seen at the above location or at the office of the Department at 3121 East Avenue I, Lancaster, California.

The Department encourages bidders to explore certification as a Small Business and/or Disabled Veteran Business Enterprise and to utilize certified Small Business and Disabled Veteran Business Enterprises during the contract term.

Contractor's license classification required for this work:   A   .

All bidders shall be prequalified by the Department. Bid documents will be furnished only to prequalified bidders who meet the requirements of the State Contract Act and Document 00040 – Prequalification.

LESTER A. SNOW  
Director of Water Resources
